

FULL-TIME FACULTY POSITION IN COMPUTING SECURITY

JOB DETAILS			
Position Title:	Full-time Faculty Position in Computing Security	Grade	
Department/Division:	Electrical Engineering & Computing Sciences		
Reports to:	Department Chair		
Supervises:	None		
Last Updated on:	January 31, 2024		

Job Purpose

The department of Electrical Engineering and Computing Sciences at RIT Dubai is seeking applications from exceptional candidates for a fulltime faculty position at the assistant or associate professor rank in Computing Security. Responsibilities include teaching and education activities, development of courses and laboratories, advising undergraduate and graduate students, supervising students in their capstones or theses, participation in committee works, and engaging in research, scholarly work, and professional service activities.

The selected candidate is expected to start on August 26, 2024 in Dubai.

REQUIRED QUALIFICATIONS:

- PhD degree from an accredited institution in computing security or a closely related field with a concentrated coursework in computing security.
- A previous teaching experience with the ability to teach courses in the broad area of computing security including network security, penetration testing, web security, malware analysis and reverse engineering.
- A strong research portfolio with a preference to applied research in collaboration with the industry.
- Excellent communication skills.

APPLICATION PROCEDURE:

Please email your application to careersdubai@rit.edu. Please submit the following documents as part of your application:

- Subject line must include the source, your name and position you are applying for; e.g.: Name – Faculty in Computing Security.
- Resume or curriculum vitae
- Contact information
- A cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements, and how these address the required and preferred qualifications for the position.
- Names, addresses and phone numbers of three references

Applications review will begin immediately and continue until a candidate is selected. Only shortlisted candidates will be contacted.
