Cancellation note: Please be aware of and understand the cancellation policy. Cancellation fees may apply if you decide to cancel your program after being accepted and confirming your participation.

Please note: If you are receiving financial aid for this program, it will pay out the term you are receiving credits, not necessarily the term of travel if those terms are different. Also, students are still required to pay RIT health and activity fees while they are studying abroad. Prices are subject to change. When you confirm your participation in this program, you will sign a contract in the compass that outlines the payment process and cancellation policies. Please read this carefully.
