BETA GAMMA SIGMA

THE INTERNATIONAL BUSINESS HONOR SOCIETY

Membership

Membership in Beta Gamma Sigma is the highest international recognition a business student anywhere in the world can receive in an undergraduate or masters program at a school accredited by AACSB - The Association to Advance Collegiate Schools of Business. To be eligible for membership, a student must rank in the upper 10 percent of the sophomore class, upper 10 percent of the junior class, upper 10 percent of the senior class, or upper 20 percent of the masters class.

History

Beta Gamma Sigma was founded as a national organization in 1913. To establish and maintain an active Beta Gamma Sigma chapter, an institution must be accredited by AACSB International, the recognized accredited agency for advancing quality business education worldwide.

Beta

Beta signifies honor. Honor is personal integrity and excellence of character. It is an enduring quality found in all persons who deserve to lead others.

Gamma

Gamma signifies wisdom. Wisdom is knowledge tested by experience and tempered by discerning judgment. It abhors prejudice; it insists upon freedom of thought and expression.

Sigma

Sigma signifies earnestness. Earnestness is enthusiasm measured by achievement, disciplined by reason and ennobled by sincerity. It is that dynamic quality which is essential for all great achievement.

Membership in Beta Gamma Sigma is an honor carrying lifetime affiliation with other outstanding graduates of business programs. While almost 300,000 students receive bachelors or master's degrees in business each year, only about 19,000 students are elected to membership in Beta Gamma Sigma.
