WMC – BS (2024 Worksheet)
Advanced Topic Concentration Approval Form

Name: **UID #:**

Date: **Email:**

Students will select two three-course concentrations representing eighteen credit hours of work (nine each). Both concentrations can be taken by picking six courses in the Networking & Communications track.

Concentrations:

Web Application Development (ISTE-442, 444)
Mobile Application Development (ISTE-454, 456)
Database (ISTE-432, 438, 470)
Wearable & Ubiquitous Development (ISTE-358, 458)
Project Life Cycle (NSSA-370, ISTE-430)
Special Topic Concentration (list courses below)

Special Topic Concentration: For students who wish to pursue an in-depth study of an area not present in the program's concentration offerings.

Course Name	Course Number
1)	
2)	

Why have you chosen these two concentrations and if applicable, special topic courses?
