

**FULL-TIME FACULTY POSITION IN CYBERSECURITY**

JOB DETAILS			
Position Title:	Full-time Faculty Position in Cybersecurity	Grade	
Department/Division:	Electrical Engineering & Computing Sciences		
Reports to:	Department Chair		
Supervises:	None		
Last Updated on:	Dec. 24, 2024		

**Job Purpose**

The department of Electrical Engineering and Computing Sciences at RIT Dubai is seeking applications from exceptional candidates for a full-time faculty position at the assistant or associate professor rank in Cybersecurity. Responsibilities include teaching and education activities in the broad area of computing security including network security, penetration testing, web security, malware analysis and reverse engineering. Other responsibilities include the development of courses and laboratories, advising undergraduate and graduate students, supervising students in their capstones or theses, participation in institution services and committee works, and engaging in research, scholarly work, and professional service activities.

The selected candidate is expected to start on August 25, 2025 in Dubai.

**Required Qualifications:**

- PhD degree from an accredited institution in computing security or a closely related field with concentrated coursework in cybersecurity.
- A previous teaching experience in the required domain.
- A strong research portfolio with a preference to applied research in collaboration with the industry.
- Excellent communication skills.

**Application Procedure:**

Please email your application to [careersdubai@rit.edu](mailto:careersdubai@rit.edu) and include the followings in your application:

- Subject line must include your name and the position you are applying for
- Cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements
- Resume or curriculum vitae
- Names, addresses and phone numbers of three references
- Contact information

Applications review will begin immediately and continue until a candidate is selected. Only shortlisted candidates will be contacted. For more information please visit RIT Dubai website at [www.dubai.rit.edu](http://www.dubai.rit.edu).
