- Group chat**
- Kaitlin Hoyt** 5:17 PM
k cat = 30
 - Kaitlin Hoyt** 5:21 PM
sorry asked if that is similar to what will be on the test XD or will it be tougher questions?
 - me** 5:21 PM
@Kaitlin - your signing may be clearer if you sit a little farther back from the camera
 - Gehret VACtutor** 5:21 PM
Similar, but you will see tougher. We'll practice those next.
 - Kaitlin Hoyt** 5:37 PM
kcat is how efficient the enzyme is?
 - me** 5:38 PM
(im going to eat my lunch-dinner and turn the video off - but i'll still be here if you have any questions or problems)
 - Kaitlin Hoyt** 5:39 PM
haha okay! enjoy

Google+ Hangouts: Summary of communication flexibility

- Each participant has flexibility in their preferred communication method:
 - Auditory-Microphone feature (Enable/Disable)
 - Visual-Video feed/Chat feature (Enable/Disable)

Part I: Advantages of Remote Tutoring using Google+ Hangouts

- Interface allows flexibility in communication
- Accommodating to schedules (faculty and student)
- Google+ Apps that enhanced online tutoring
 - Google Drive: Document Sharing
 - Google+ Screenshot feature

Google+ Hangouts: Accommodating to Schedules

- Traditional face-to-face tutoring requires:
 - Mutual availability of both faculty member and student during normal work hours
 - Student class schedule
 - Student work schedule
- Student can receive tutoring from dorm, off-campus
- Tutor can conduct tutoring from home, office, campus or traveling (conference)
