1. Preamble

A. The Student Government (SG) Greek Finance Committee (GFC) is a student run body which allocates additional funding to the members of the Fraternity and Sorority Life community at the Rochester Institute of Technology (RIT). The committee provides a fair and simple means for members to request funds for chapter and/or use in leadership development, philanthropic and community

service events, conferences and events that will better the RIT community. The money used to award funding to members is comprised of the student activity fees paid by RIT students. As such, receiving funding from the Greek Finance Committee is a privilege and should be viewed as such. No group is guaranteed funding and any award amount may fluctuate from year to year as the SG administration and budgetary constraints change.
