NOTES

* Students without prior proficiency in a foreign language should take the beginning level foreign language sequence as prerequisite(s) for the required intermediate level foreign language sequence as LAS electives.

** Students will satisfy this requirement by taking either a 3 or 4 credit hour lab science course. If a science course consists of a separate lecture and laboratory sections, the student MUST take both the lecture and lab portions to satisfy the requirement. The lecture section alone will not fulfill the requirement.

International Experience Requirement (0 Sch): After Year 1, students have variable and flexible options of study abroad, internship, or co-op. The requirement can be completed during the summer or the academic year.
