FIRST CHOICE COURSES		
ALTERNATE COURSES		

Instructions for Students:

1. Use SIS to select study abroad courses. List the first choice courses in the top half of the table and alternate courses in the lower half of the table. Remember, to be considered a full-time student while abroad and receive full financial aid, you must be registered for at least 12 credits per term. Be sure to identify some alternate courses in case your first choices are not available.
2. Make a copy for your records and submit this form to RIT Education Abroad office.

Important Reminders for Students:

- Only courses that count toward your degree requirements are eligible for financial aid. If you plan to use financial aid to help fund your study abroad program, we recommend that you only choose courses abroad that count toward your degree requirements.
- If the plans for your overseas courses change unexpectedly, please contact the Education Abroad office and your academic advisor(s) as soon as possible as this may have important consequences to your registration, billing and financial aid.
