

THIS IS A PREVIEW OF THE APPLICATION FOR THE PROVOST'S LEARNING INNOVATION GRANTS.

To apply for a Provost's Learning Innovation Grant complete and submit the Qualtrics application by the deadline stated on the [Learning Innovation Grants webpage](#).

2025 Provost's Learning Innovation Grants Application

The 2025 Provost's Learning Innovation Grants program is now accepting proposals for projects that enrich the student learning experience and enhance student learning at RIT while supporting faculty scholarship and university priorities.

Funding will range from \$1,000-\$5,000 per project, which must align with one of the three focus grants or to the exploration grant type.

To apply for a Provost's Learning Innovations Grant complete and submit this application form by **January 20, 2025 11:59pm ET**, with the required supporting materials provided on the [Learning Innovation Grants website](#).

Applicant Information

Principal Investigator

First Name: _____

Last Name: _____

Faculty Title: _____

Email: _____

College: _____

Department: _____

Name of Head/Chair: _____

Does this project have a Co-Investigator?

No

Yes

First Co-Investigator

First Name: _____

Last Name: _____

Faculty Title: _____

Email: _____

College: _____

Department: _____

Name of Head/Chair: _____

Second Co-Investigator

First Name: _____

Last Name: _____

Faculty Title: _____

Email: _____

College: _____

Department: _____

Name of Head/Chair: _____

If there are additional Co-Investigators:

Please provide the following for each additional Co-Investigator: first name, last name, faculty title, email, college, department, and name of head/chair.

--

Which grant type does your project align with?

- Generative AI in Teaching Focus Grant
 - Technology, the Arts, and Design Focus Grant
 - Active Learning Across All Course Modes Focus Grant
 - Exploration Grant
-

Overview

Please provide the following details about your proposed project.

Project Name:

Is this project for a new course or a redesign to an existing course?

Note: A new course will require a [course outline form](#) as a future deliverable.

- New course
- Existing course

Provide a 150-250 word abstract, describing the project's objectives and major components.

Note: This will be used in CTL communications, if you are awarded a grant for your proposed project.

What is the total amount of funding being requested?

Note: This amount must match the amount entered on the required [Budget form](#), which is to be submitted with this application.

Rationale

What teaching/learning problem(s) does your proposed project address?

The question is only displayed for Generative AI, Active Learning and Exploration grant types.

Why does your project represent a breakthrough approach or new paradigm for teaching and learning?

This question is only displayed for Technology, the Arts, and Design Focus Grant types.

How does your project fit in the intersection of technology, the arts, and design?

How will student learning be enhanced or improved by your proposed project? How will activities and assessments lead to innovative or creative outcomes for the students?

What aspects of this innovation are applicable across domains and colleges at RIT?

Design and Methodology

Please provide the following details on your proposed project.

Briefly describe the project's experiment/research design, methodology, and methods of data collection and analysis.

Describe any concerns you have with being able to complete the project within the timeframe and budget and meet the [deliverables timeline](#).

Describe any concerns regarding upholding RIT policies, and/or responsibility to protect student rights.

[E10.0 University Administration's Commitment to Effective Teaching Development](#)

[D15.0 Education Records](#)

Supporting Materials

The following materials are required for your grant application.

Upload a completed [Department Head/Chair Support form](#) for each person involved.

(Note: If there are multiple files, you will need to create a zipped/compressed folder of the files, as this question only allows one attachment.)

Upload a completed project [Budget form](#).

Acknowledgement

If I receive this grant, I acknowledge the following:

- I agree to complete the project within the [timeframe](#) and within budget.
- I agree to return all or a portion of the funds that I receive for this project to RIT if I fail to complete the project within the agreed upon timeline and use source funding to cover any expense overages.
- I will comply with all RIT Research policies (<https://www.rit.edu/research/srs/compliance>).
- I will consult and comply with [Information Handling Resources](#).
- I will provide the [grant project deliverables](#) in accordance within the [timeline](#).

Do you agree to these terms?

Yes
